Country Spotters

At Rushall Manor Farm Bradfield

By Kind Permission of Mr William Cumber and Mr John Bishop

This year, which once again we were blessed with fine weather, we had 9 teams booked in to have a go at the Country Spotters Trail. The Barn Quiz was set up in the Cart Barn. There were lots of pictures and objects to look at and guess what they were! We had some funny answers.

Teams of 2 were then sent on their way round the marked trail which had questions around the pond then up through the woods to look for different trees, plants etc.

Emma Tweed, one of our County Chairmen, and Jane did the scoring of the Barn Quiz and as the teams returned having completed the woodland trail the scores were finalised. We had equal first with Reading and Shefford. Following a tiebreaker Reading were awarded first place.

There were two American Guests who also participated, which was nice for them and they really enjoyed themselves. Another of our County Chairmen Hannah Rayner announced the results and handed out certificates for all who had taken part.

AUSSIE'S EXPERIENCE:

Young Farmers was an organisation I joined when I came to England as a way of meeting similar aged, and like-minded people. I'd been in the reciprocal organisation during high school in Oz, so knew a little about it. I have to say that it has been a fabulous experience, and one I have many fond memories of. From nights at the pub (and there have been a lot!), to learning to judge pigs and horses, to tug-of-war and Blackpool, I've seen and done it all. Young Farmers is certainly one of those organisations where the more you put in, the more you get out of it. It certainly is a place to find friends, and I have made some excellent ones at Reading YFC (even one that's coming home with me!), and that is really the best thing about Young Farmers – the fabulous people that make up the organisation. I would like to thank each and every one of you for helping to make my time as a Young Farmer so memorable and invite you all to visit me in Australia sometime. My parents live on the East coast, half way between Sydney and Brisbane. It's a beautiful spot with rainforest, trout fishing and lots of beef cattle. So if you do venture 'down under', please don't hesitate to

Good Luck Fiona.

Your enthusiasm has been a joy to see and I hope some of it has rubbed off on other members. There will always be room to include a letter from you in the Newsletter. Take care and Best Wishes From Lydia
